Hello Focus Families!

Snaps Films is excited to be a part of your 2017 Dance Concert. We will be your videographers for all shows. Please see the front side for the order form.

DVD's may be purchased at the **\$40 price until the concert**. If placing the order at the concerts or after the June 14th, the price may increase to \$45.00 each as to accommodate the theatre fee. You may decide on which show at a later date.

Custom DVD's:

We are offering Custom DVD's where you can order just your child's own dances on a special DVD.

This is designed to offer a savings for dancers in many shows! It is also designed as gifts for relatives so that every dance on the DVD is your dancer.

A Custom DVD requires you to purchase at least one full show of your choice.

Only then, can you order the custom DVD that will give you 3 dances for the base price. You may add additional dances for \$5.00 per dance more. Please specify the name of the dance and which night it was performed.

If you are undecided as to which show or dances for your custom DVD, you can email those in after the shows. Order your DVD early to get the better pricing. Just leave the line blank and let us know after! We will contact you with any questions.

Please make sure your information is legible, as we will be communicating with you through email. We will confirm your shipping address as well through email.

Things to know:

The show is at the peak of our season. With 7 concerts, it will be an 8 week waiting period for delivery. We will email you as they ship out. (Email required)

We will ship all orders to your home. Please write legibly.

We will have multiple cameras with various angles. To see samples of past Focus Dance Concerts, please visit our website at www.Snapsfilms.com go to dance, video teasers.

Should you have any questions, please do not hesitate to call or email us!

Thanks so much!
